

Brothers and Sisters,

M1/URS are expanding their contracts constantly, there are openings within these companies but it might require a change of residence. There are posted positions in New Mexico and other parts of the United States. I am posting the links for the sites you must access to view the job positions and areas where those positions exist.

<http://www.urscorp.com/Careers/index.php>

On the URS site you need to select career opportunities, select the Country, then the state. It will then provide you the job openings in that state. If you wish to define your search, you may input any additional data you wish.

I hope this is helpful and if you have any questions or I can help please call me at (575) 442-9581 or email me at jaysha2@msn.com.

In solidarity,

Jay Jaramillo
